

Guidelines (January 2025)

## STUDIO laGeste

**ADDRESS** - Studio laGeste

Bijlokesite - Bijlokekaai 1 - 9000 Ghent (Belgium)

## CENTRAL HEATING

Is programmed from 09.00 to 18.00.

---

## FIRE CENTRAL

Dutch-language manual can be found above the fire hose in the entrance hall..  
The fire central is not connected to the fire department of Ghent.

---

## INTERNET | TELEFONY

Wifi S3 - password: multiplex  
There is no fixed telephone line in the building.

---

## GARBAGE

Garbage is separated: residual waste and PMD.  
Sort to appropriate bins in the Studio.  
Only acceptable quantities of household waste. All other waste (e.g. packaging, paint, décor, technical parts, etc.) you have to dispose of yourself.

---

## PARKING

No parking spaces - only loading and unloading allowed.  
No vehicles in the garden, neither on the concrete driveway nor on the pebbles.  
No vehicles on the Bijlokesite.  
No vehicles in front of the loading and unloading doors: this is an emergency exit!  
No bicycles against the facade of Studio laGeste.  
No bicycles in the entrance hall.  
There is a public covered bicycle parking facility against the west wall of the maternity building. (nearby the entrance of the City Museum STAM).  
LEZ: low-emission zone in Ghent. Check [here](#).

---

## TOILETS

Two toilets on the ground floor, one of them is accessible to wheelchair users.  
Toilet paper and hand soap provided.

---

## ACCESSIBILITY

Studio laGeste is fully wheelchair accessible on the ground floor.

---

## DOORS

If the double loading door at the back of the hall is opened: always lock the doors and pin the door on the street side into the ground (see photo below).

Open the other door 90 degrees and then block it with the green sandbags.  
4 green sandbags are in the hall by the gate.

---

## CLOSING

When leaving Studio laGeste, always lock all the ground-floor and exterior doors with the key.

When leaving the studio, always darken the window (next to the pile of chairs).

When leaving the studio, always check that all emergency exits are closed and the handles of the 2 loading and unloading doors are down.

---

## OTHER ROOMS

Two lodges with showers and toilets, accessible by stairs.

Currently in use by laGeste until the end of 2026.

---

## EMERGENCY NUMBERS

Emergencies 112

Police 101

---

## DIVERS

No smoking in the building.  
There is no first-aid kit available.

---

## TECHNICAL RIDER Studio laGeste

You can find the technical rider of Studio laGeste [here](#).
