22:00 During **Open Studio**, you will work, under the guidance of choreographers and other participants, on developing various movement languages with which we will experiment at *Bal Amical.e*.

In the **Mixability Workshop**, an expert shares a specific movement language. Each workshop has a different focus.

On Friday, the blueprint for *Bal Amical.e* will be created. We will work on interventions and small performances that will take place during *Bal Amical.e*.

Stamp your mark on *Bal Amical.e* by attending at least one of the **Building the Ball** sessions.

Those who attend one of the Building the ball moments, we would also like to see them at the dress rehearsal Friday night as well as at *Bal Amical.e* on Saturday.
