During **Open Week**, you will work on developing different movement languages under the guidance of choreographers and other participants.
These will be explored and experimented with during *Bal Brut* .
In = Participation is collective and begins with a shared starting moment. You are free to step out at any time.

During the **Mixability Workshop**, an expert will share a specific movement language. Each workshop explores a different focus.

On **Friday**, we will create the blueprint for *Bal Brut* . Together, we will work on interventions and short performances that will take place during Bal Brut.
Make your mark on Bal Brut by joining us on Friday for at least one of the two creation sessions.
If you take part in one or both creation sessions, we would also love to see you at *Bal Brut* on Saturday and/or Sunday.
